<p>On 02/21/18 at 2000 hours, I notified Sgt Derek Koch via text of this SERT activation. He did not change my scheduled shift.</p> <p>On the above listed date and time, I was activated for this warrant service. I attended the operations briefing for this search warrant at PSP Belfast. At the pre-deployment briefing I was assigned as less lethal for the second floor. I was armed with a shotgun and pistol. Cpl Chulock was my team leader and I was assigned to the tac van. Following the briefing, I attended a rehearsal for the warrant service in the parking lot of PSP Belfast. Following rehearsal, I loaded my shotgun with beanbag rounds which was verified by Tpr Wysocky. SERT then mounted vehicles and left for the warrant service.</p> <p>Upon arrival at the location of the warrant service, I proceeded with my team to 1-side door. As we approached the primary entry point, a person inside of the residence looked out and a compromise was called out. At this time an announcement was made from a SERT vehicle as well as the breachers announcing our identity and intentions. A breach of the door was conducted. After breach, I proceeded into the residence. Immediately inside the door, I detained a W/N/F. I remained with her for a short time until I was called to the basement to assist with clearing. At this time I turned custody of the W/N/F over to another team member on the first floor and proceeded into the basement. I proceeded with other team members through the basement. I observed multiple subjects being detained in the basement. I moved through the basement to a building containing a pool. I assisted in clearing the pool building. I then moved outside and assisted other team members clearing an unlocked RV on the property. There was no one located in the RV. I then moved back into the basement of the residence. At this time I assisted a SERT medic with an elderly W/N/F complaining of back pain. I assisted the medic with gathering her medication and wallet. I remained with the medic and the elderly W/N/F until the residence was turned over to investigators. After the residence was turned over to investigators, I exited the residence, returned to my assigned vehicle and departed the scene, returning to the AP for debriefing.</p> <p>After debrief, I departed the AP and proceeded to PSP Lancaster for my regularly scheduled shift.</p> <p>After a de-brief the team was dismissed at 0730 Hrs.</p>
